## SECTION 00 10 00 – INVITATION TO BID

NOTICE: The Kittitas Reclamation District (“District”) hereby gives notice that it will accept sealed Bids for the construction of Project No. 33-SBC-1004, the South Branch Canal Improvements – Robinson Siphon to Milepost 10.4 project (“Project”).

### PART 1 – GENERAL

#### 1.01 BID SUBMISSION

The District will receive sealed Bids at the location listed below until **2:00 p.m. local time on September 11, 2020 and** will then and there open and publicly read the Bids for the construction of the improvements. Due to COVID related restrictions on the size of public gatherings, the opening and reading of the Bids will be a streamed broadcast. A web address link for the broadcast will be posted on the District web page (<https://www.kittitasreclamationdistrict.org/current-bids>).

Kittitas Reclamation District  
315 North Water Street  
Ellensburg, Washington 98926

#### 1.02 WORK DESCRIPTION

Bid improvements consist of open channel canal replacement with large diameter pipeline, creek culvert replacement, drainage, earthwork and other work, all in accordance with the contract plans, the contract provisions, and the specifications. The improvements are for construction of water conservation and operational improvements to the KRD system. Requested work follows the existing South Branch Canal alignment for a distance of approximately 2,300 feet from the KRD Operation and Maintenance Road crossing of Robinson Creek to a transition back to open canal approximately 2,100 feet downstream of the existing outlet of the Robinson Siphon. The Project was originally divided into a Base Reach and an Optional Reach based on uncertain funding availability in fall 2020. This funding has been secured during the bid process and Addendum 2 has consolidated the work into a single base bid. The revised bid form for the Base Reach comprises the total bid value evaluated for determination of apparent low bid.

#### 1.03 CONTRACT TIME

Contract time shall begin as defined by the Notice to Proceed and continue through completion in accordance with Section 00 73 00 (Supplementary Conditions). Anticipated award and Notice to Proceed to allow for construction during the annual canal outage beginning in fall 2020.

### **APPENDIX B – 33-SBC-1004 WAGE RATES**

This project shall be subject to both state (RCW 39.12 and WAC 296-127) and federal (Davis-Bacon and Related Acts) hourly minimum rates for wages and fringe benefits with the higher of the two rates governing as the prevailing wage rate.

The state prevailing rates and benefit key code are available on the Washington State Department of Labor and Industries website for the following:
